My heart de-sires to find the prize that tru - ly sat - is - fies.  
 The treas - ures of this earth bring pleas - ure soon to all ex - pire,  
 In Je - sus now my heart can rest and lay each weight a - side

It search - es long through wealth or fame but finds just emp - ty lies.  
 Be - tray - ing ev - 'ry - one by leav - ing un - ful - filled de - sire.  
 To run the race He's giv'n and keep Him as my on - ly prize.

This jour - ney leads to on - ly One who's meant to meet my need.  
 But heav - en's great - est joy is found in on - ly Je - sus Christ.  
 His grace a - lone sus - tains me so I nev - er will re - sign

His name is Je - sus, King of kings, through Him I have been freed.  
 E - ter - nal life is of - fered now through all He sac - ri - ficed.  
 To be like Him through trial and test and cross the fin - ish line.

Je - sus is great - er than an - y wealth a-chieved.

Je - sus is bright - er than fame re - ceived.

Je - sus is strong - er than sin's cap - tiv - i - ty.

Je - sus is bet - ter. He's all I need!
