

CIT APPLICATION

Dear Applicant,

Thank you so much for considering The Wilds Camper In Training program. CIT is a two-week training program designed to build *whole-hearted, servant-minded teens for Christlike leadership*. The program is very challenging, yet very rewarding. Applicants must be at least 16 years of age and a rising high school junior, senior, or college freshman. This packet includes the application, one parent/guardian form, and three recommendation forms. **All of these forms must be returned in order to be considered for the program.**

The Application:

This will take time and should be filled out thoughtfully. It is very important that you personally answer all the questions thoroughly and honestly. Please understand that we do not expect to see perfection reflected in your answers.

Parent/Guardian Form:

This form should be filled out by a parent or guardian and returned with the application.

Recommendation Forms:

Three recommendation forms must be filled out and returned by two church officials (pastor, youth pastor, associate pastor, deacon, etc.) and one other adult of your choice. Since these recommendation forms need to be mailed separately, it would be helpful to provide a stamped envelope for these individuals.

The Wilds can accept only a limited number of applicants into CIT. For priority consideration, each application must be completed and returned to The Wilds (North Carolina campsite) no later than December 31, 2019. **Applicants will be notified of acceptance by March 1, 2020.** Because of the time involved in this process and the limited space available, we encourage each person to register for a regular week of teen camp as well as applying for CIT. You will have the opportunity to transfer your deposit from the week of teen camp to CIT if you are accepted.

Thank you,

The Wilds Christian Camp
