SUMMER OF NEW ENGLAND  
PARTNER PROGRAM

THE WILDS • THE WILDS OF NEW ENGLAND

# SPP

Every summer The Wilds and The Wilds of New England hire over 300 enthusiastic college-age staff members to serve during the summer camp season. Our goal for the Summer Partner Program is for each summer staffer to raise at least \$600. By partnering with a staff member with your tax-deductible donation, you not only help support a staff member, but you also help us keep our camper fees as low as possible.

As a partner, you will also share in the staff member's ministry by upholding them in prayer and being an encouragement to them throughout the summer. Whether as a church, an individual, or an organization, please join us in the Summer Partner Program and partner in a special gospel ministry

that serves over 11,000 campers each summer! You can sign up by donating online at [www.wilds.org](http://www.wilds.org), filling out and returning this form, or calling us at (864) 331-3267.

*Participating in the Summer Partner Program has grown our family's ministry through prayer, encouragement, and service. Each report of God's sustaining power and answered prayer increases our faith. With specific requests through the weekly letters, we intercede for our partners as they extend their service to others.*

*In a trip to camp this summer, our family came alongside our partner to gather sticks, set up chairs, and pick up trash. Working together as a team, we ministered to our partner while he ministered to others. As the love of God continues to expand beyond our family, we rejoice in the small part we get to play by supporting the Summer Partner Program.*
