

COVID SCREENING SUMMER 2020

We know that the safety of your child is your primary consideration in choosing whether or not to come to The Wilds this summer. We recommend those in the “high-risk” category consider not attending camp this summer. We cannot guarantee that no one will contract COVID-19 or any type of illness while at camp, and by coming to camp you acknowledge and accept that risk.

All campers, sponsors, and parents will be screened when they arrive on the campsite, and should arrive healthy. To speed up the screening process, please print out and complete this form before you arrive at camp. **If anyone does not pass the screening process, he/she will be asked to leave the campsite.**

If you have any questions, please contact our Health Service Building at (828) 884-7811 ext. 160
